TRANSITION AGENTS

Good News!

The Marguerite Bourgeoys School Board enhances the funding and expands the territory for the School Community Outreach Program.

Four counsellors (transition agents) from our organization will work with the following five elementary schools: Bois-de-Liesse, Dollard-des-Ormeaux, Harfang-des-Neiges, Odysée and Perce-Neiges.

The role of the agents will be to support the integration and educational success as well as the participation of families in the school system.

The team of CMR wishes you all Happy Holidays and a wonderful New Year!

Note that we work until December 21.

We will be back in January 8, 2019.
