"Soon to Kindergarten" Workshops

Do you have a child who starts
kindergarten in September 2019?

Thanks to funding from Montreal Hooked on School, CMR will offer for the 5th consecutive year, a series of four parent-child workshops to be held in May and June in various schools from the CSMB School Board.

The topics covered, such as fine and gross motor skills, healthy lifestyle habits and language stimulation, are presented in the form of games and crafts.

A snack and small gifts are offered to families after each meeting, which is led by a multidisciplinary team.

During the fourth workshop, which focuses on the Quebec school system and local resources, children have the opportunity to play freely with new friends in their future school.

For more information about "Soon to Kindergarten" workshops, contact your local school.
