DECEMBER 2019

Dear parents, December 20 will be the last day of preschool service. We will be back on January 6. Preschool service will resume on January 7.
We wish you a happy holidays!

The nursing students from **McGill University**, as well as the social work students from the **Université de Montréal**, have carried out wonderful projects in our organization.

It has been a pleasure working with you. Your help is always appreciated.

Filled with the spirit of the holiday season, a group of seven **Pfizer employees** came to CMR on December 5 to volunteer. They helped our elves wrap gifts for our Christmas party.

Many thanks to **Merck Frosst Canada** for your generous donation. It allowed our elves to acquire gifts for the 0 to 5-year-olds who participate in the various CMR programs.

CMR in action

The CMR team is always very active. Here are some photos: door-to-door in the Cloverdale neighbourhood; the “Jingle & Mingle” community celebration organized by the West Island Resources Centre...

...we celebrated the end of the year...

...and visited the Pierrefonds library where we met Louise Zampini, Head of Division Library, Culture and Social Development.
