Shirley Miller Award

West Island Community Shares granted the Shirley Miller award to Veronica Lopez, director of our family centre, in recognition of her work with families in vulnerable situations. This event took place on April 23, during WICS annual fund distribution to community organizations...

Sophie McCann, Executive Director of WICS, said about Veronica Lopez' work: *"Since taking over the leadership, she has been able to implement several new initiatives that allow children and families to thrive. She leads her team and organization, Cloverdale Multi-Ressources, with compassion, dedication and great humility."*

Congratulations to Veronica and her team!
